

Quality. Service. Value.®

Dear California Water Service (Cal Water) customer:

Your 2022 annual water quality report is now available online.

This report contains important information about the source and quality of your drinking water, as well as articles on current water quality issues, answers to common water-related questions, and much more. Visit www.calwater.com/ccr/kerv to view your 2022 water quality report.

To speak with someone about the report, request a printed copy, or get water quality information in Spanish, please call (800) 680-1160.

You can also visit www.calwater.com/ccr to get more information about how Cal Water maintains the safety of your drinking water and view previous years' reports.

Sincerely,
California Water Service
