Dear Tenants

We are happy to announce we have a new and seamless way of communicating with you regarding tenant news and updates!

In addition to our text alert system for moment-to-moment updates, we have added a webpage for all posted communication ie SCE's California Climate Credit, Cal Water notifications, fall/spring cleanup reminders, event invitations and more!

Please bookmark <https://www.campkernville.com/Tenant-News-.html> on your phone and/or computer for quick reference. We also have a QR code that will quickly take you to this webpage (see the bottom of this letter for code).

If you haven't signed up for our text alert system, please take this opportunity to join! Text **ckresident** to (844) 383-0339 to sign up! We notify you of any planned maintenance, emergency utility shutoffs, etc. It is a great way to stay connected without having to take the time to call the office for real time updates. This system is one-way communication – we are unable to respond to text replies.

Thank you,

Camp Kernville Management
