

Tower Corporation Kernville Camp Kernville

June 17, 2021

Dear Tenant,

Just a friendly reminder regarding parking. We ask for the safety of our tenants/guests and access for emergency vehicles you park in your assigned parking space. Parking on the road in front of your mobilehome is prohibited. Should you have an additional vehicle or your vehicle doesn't fit in your assigned space, please visit the front office and purchase a daily or monthly parking pass.

This letter also serves as notification that beginning October 2021 and each month thereafter you will see a \$7.50 electric meter fee charge on your utility bill.

We hope you have a wonderful summer!

Thank you,

Camp Kernville Management
