Dear Tenant,

Just a few friendly reminders...

For the safety of our tenants/guests and access for emergency vehicles, we ask you park in your assigned parking space only. Parking on the road in front of your mobilehome is prohibited. Should you have an additional vehicle or your vehicle doesn't fit in your assigned space, please visit the front office and purchase a daily or monthly parking pass.

Also, it has come to our attention that many of you are displaying the Flag of the United States of America. We fully support this show of patriotism and would like to take this opportunity to remind you of the national guidelines for displaying the flag...

According to the U.S. Veterans Affairs:

The flag should only be displayed between Sunrise and Sunset. It may be displayed at all times if it is illuminated during darkness. Because the flag is subject to weather damage, it should not be displayed during rain, snow, and windstorms, unless it is an all-weather flag. It should be hoisted briskly and lowered ceremoniously. On Memorial Day, the flag should be flown at half-mast until noon. When the flag is worn out or otherwise no longer a fitting emblem for display, it should be destroyed in a dignified way, preferably by burning. All this information and more can be found by searching:

If you are looking for a place to dispose of your old flag, your local VFW and many county or state government buildings will collect your old flags for disposal ceremonies.

We hope you have a wonderful summer!

Thank you,
