

Tower Corporation Kernville

RiverView RV Park
Camp Kernville

February 15, 2021

Dear Tenant,

Happy Early Spring! With the rain and the sunshine come the dreaded weeds! Please make sure your site is cleaned no later than May 31st or maintenance will be cleaning at an additional fee of \$75 charged to your July 2022 bill.

In addition to the above semiannual cleaning, we are asking each of you to please complete a deep cleaning of your space. We have noticed many residents with excessive site/patio 'art', exposed/unpiled firewood, leaves accumulating on roofs/awnings/drains, construction debris in yard, etc. If you should require a dumpster for your 'spring cleaning,' please contact the office. We will be happy to schedule a dumpster to be at your site for convenience.

Thanks for your time and attention to this matter.
